

FINANCE MANAGEMENT

ACHIEVE YOUR INCOME AND BUDGET GOALS.

Manage your organizational funds with our trusted finance and accounting oversight.

Enjoy the benefits of full-time outsourced accounting services, with executive-level oversight on a daily basis. Choosing AEG as your financial headquarters will give you more time to focus on the other important leadership aspects of your organization, while relying on an experienced and trustful partner.

We have over twenty years of managing our clients' finances, with funds ranging from the thousands to millions. Our staff will take care of everything your organization requires from daily bookkeeping practices and monthly statements and reports, to tracking budgets and managing cash flow.

You can also rely on us to set up online payment gateways, handle financial provider communications, provide online e-commerce solutions, and process payments from your members. We will work with you to create a custom financial solution for your organization's budget and needs.
